BEHAVIORAL HEALTH (618) 783-4154

YEAR ESTABLISHED 1975

TO THE CITIZENS OF JASPER COUNTY

The health department is pleased to present to you, the 2014 Annual Report. This report is a summary of the services provided to Jasper County residents by the health department.

We play a primary role in disease prevention and health promotion. Quality of life is enhanced, as health department staff provides an array of services. Those services include communicable disease prevention, food and water safety, immunizations, health screenings, and behavioral health counseling and intervention.

Since the Jasper County Health Department is moving toward the premise that all residents will have either health insurance or Medicaid our nursing and behavioral health departments are credentialed and have contracts with several insurances.

We would like to sincerely thank the Jasper County Board of Health, the Jasper County Board, all elected and appointed officials, and especially our staff and volunteers. Thanks also go out to the other community organizations, governmental agencies and citizens of Jasper County for your support and guidance.

Debbie Rubsam, B.S.
Public Health Administrator

MISSION STATEMENT

The mission of the Jasper County Health Department is to improve and enhance the health of all the residents of Jasper County. The department will promote activities that will lead to a more productive and satisfactory lifestyle, which in turn will produce a positive mental and physical condition. Assessment and screening, education, immunizations, prevention services, environmental services, case management, crisis intervention, counseling, and linkage with community resources, are but a few of the activities provided to facilitate the accomplishment of positive outcomes.
