The 2020 Jasper County Solid Waste program will start April 4th.
The eight-month program will operate through November 2020.

The Newton site, which is the County Highway Building, is located 1¼ mile NE of Newton. The hours for the Newton site are 7 A.M. – 3:30 P.M.

All other sites will be open starting at 7:30 A.M. If a Dumpster is filled before 10:30 A.M., another Dumpster will be brought to the site. These sites will be open until noon or when the Dumpster is filled after 10:30 A.M.

Appliances are being accepted at only the Newton site, the County Highway Building, on the Saturdays the Newton site is open. The appliances, which are recycled, are to be placed in a Dumpster reserved for appliances only. Either the compressor must be removed or the freon line opened to show freon has been properly removed from refrigerators, freezers, air conditioners, etc. Appliances are not being accepted at the other collection sites.

One Dumpster at the Newton site is reserved for metal only. The metal collected in it is recycled.

No yard waste (grass, leaves, and limbs) will be accepted at the Dumpster since these items were banned from Illinois landfills effective July 1, 1990. No tires asbestos materials will be accepted.

No electronic items (televisions, monitors, printers, cable receivers, stereo equipment, electronic keyboards, facsimile machines, scanners, satellite receivers, speakers, video game consoles, electronic mice, small scale servers, computers, digital converter boxes, videocassette recorders, portable digital music players, digital video disc recorders & players) will be accepted in the Dumpster since these items were banned from Illinois landfills effective January 1, 2012.
